PIONEER OF HOPKINS

HARRISON MEYERS PASSES AWAY FRIDAY MORNING.

AT ST. FRANCIS HOSPITAL

Was Seventy-One Years Old—Had Been a Sufferer from Dropsy for Two Years.

Harrison Meyers of Hopkins died at St. Francis hospital in this city Friday morning about 5 o'clock, after an illness extending over the past few years. He was a sufferer from dropsy and was brought to St. Francis hospital in this city last Friday from Hopkins.

The remains were taken to Hopkins on the noon Burlington train Friday, accompanied by S. A. Fleming and Harry Clutter of Hopkins, and the funeral will be held Saturday morning at 10 o'clock at the house, in charge of the Masons, Rev. Foster of the M. E. church of that place to conduct the services. Interment will take place in the Hopkins cemetery.

Harrison Meyers was born in Holmes county, Ohio, November 26, 1840. He enlisted in Company D, Sixteenth Ohio infantry, in 1861, and was in many a battle during the civil war. He received an honorable discharge October 31, 1864..

He was married to Miss Elizabeth McCoy in Ohio. April 19, 1866, and she died in Hopkins in 1908. To this union were born two daughters, who died in infancy.

Mr. Meyers came to Missouri in 1871 and settled on a farm about one mile north of Hopkins, where he lived until 1900, when he moved to Hopkins. He was one of the early settlers of Hopkins and had watched her grow from a small village to a town of 1,000 inhabitants.

He was chairman of the Republican county committee many years ago, and was quite a Republican politician in this county. He was also a prominent Mason, being a member of the lodge at Hopkins, and also a member of the G. A. R. He sang in the choir of the M. E. church of Hopkins and was leader of the band at that place for many years.

No living relatives survive. Robert M. Hook of Hopkins is a brother-in-law of Mr. Meyers. About six months ago Mr. Meyers became so afflicted that he had to have attention, so the Masonic lodge of that place has cared for him. He drew a pension, which was recently increased, and turned it over to the Masonic lodge of Hopkins.

Mr. Meyers was one of the respectable citizens of Hopkins. He was one of the brightest and deepest thinkers in this part of the state.

Guests at Costello Home.

Mr. and Mrs. Ed Costello had for guests Thursday Mr. and Mrs. S. C. Young and daughters, Mildred, Gertrude and Anna, and Mrs. Young's sister, Miss May Farrar, from north of Maryville.

Visiting Brother and Sister.

Mrs. S. W. Wood of Sterling, Ill., is visiting in Maryville with her sister, Mrs. George Conrad, and family and her brother, J. Arthur Wray, and family and other relatives. Mrs. Wood has two children in the foreign fields, Rev. Don Wood and Miss Daisy Wood.

Came to Conduct Funeral.

Rev. Claude J. Miller returned to Maryville Friday to conduct the funeral of Miss Laura Gates, who died Tuesday evening at her home, west of Maryville.

Southward Baby Dead.

Virginia Lee, the 6-months-old babe of Mr. and Mrs. Cliff Southward, died at the hospital in Des Moines Monday. She was buried at their home town, Holstein, Ia. Mr. Southward was a member of the Comets base ball team at Maryville.

DIED FROM INJURIES RECEIVED IN RUNAWAY

G. W. Cordell of near Quitman, who was hurt in a runaway Wednesday, died Thursday morning about 1 o'clock at his home, a mile and a half southeast of that town. Mr. Cordell was out driving, and on passing the I. B. Young place his horse became frightened and ran away, throwing him out and badly bruising him. He died from the effects and shock of the accident several hours after.

Mr. Cordell was 81 years and an old pioneer settler of that town. He is survived by his wife and seven children, A. F. Cordell of Quitman being a son, and Miss Ella Cordell, at home, being a daughter. All of the other children lived outside of Nodaway county.

The funeral services were held Friday morning at 1 o'clock at the Christian church, conducted by Rev. D. F. Snider, pastor of the Christian church at Burlington Junction. Interment took place in the I. O. O. F. cemetery at Quitman.

To Be Held at Burlington Junction.

The second annual I. O. O. F. conclave will be held in Burlington Junction, September 4. The district is composed of Nodaway, Atchison, Holt and Gentry counties.

COMPLAIN AUTOISTS EXCEED SPEED LIMIT

Complaints are still being made by the people of the autoists violating the speed laws of the city, especially at night. If they keep up as they have in the past some accident will be sure to take place some night. Better be careful, autoists, or you will get in trouble.

The proper authorities are going to keep a more careful watch at nights, as many people are complaining, and they have a right to. When an autoist is running his car forty or even twenty-five miles an hour in the city he should be arrested and fined, for it is a violation of our city ordinances. If better attention is not paid by the auto men to our present law, maybe more strict laws will be passed by our city, and it might be well for them to do it anyway. No accidents have happened, but they are liable to happen at any time.

As one man said Friday to this paper: "I was going home the other evening about 10:30 o'clock and an automobile passed me that was going at least forty miles an hour. The city should see to it that if we have a speed ordinance it is enforced, as an accident might take place any of these nights, at the rate some of the automobiles over the city are going at night. I understand that not all of these people are Maryville autoists, as many of them are from out of town."

DEBATING SOCIETY OF THE NORMAL MET

The debating society of the Normal met Thursday night in the chapel and contested the right of suffrage. The question, as stated, was, "Resolved, that the right of suffrage should be extended to women."

On the affirmative side were Charlie Miller, J. P. Ross and Ray Miller. On the negative Guy Thompson, F. W. Cooper and Ernest Berkhead. The latter receiver a unanimous decision from the judges.

Prof. Miller of the department of expression gave a most excellent talk on the essentials of public speaking.

NO COMMENCEMENT AT END OF TERM

There will be no commencement exercises at the close of this summer's term of the Normal, for the reason that only one commencement is held each year now and that in May. The graduates of each quarter receive their diplomas as soon as they finish the course, and if they wish to be in the annual commencement they may come back for it at the end of the spring term following their graduation.

35 CENTS A THOUSAND GALLONS TOO MUCH, SAYS WARRENSBURG.

MORE LETTERS ON WATER

Where Cities Own Plants Rate is Low—Hydrant Rental Big Item in Most Cities.

Letters have been received by Mayor Robey from other towns in regard to their water rates, and since Maryville is to vote on municipal ownership on Tuesday, August 15, on a $100,000 bond issue to install a water plant here, we publish these letters.

Warrensburg, Mo.

From S. P. Tyler, city clerk at Warrensburg: "A private company owns the water plant, which is about one and one-fourth miles from town. The franchise expires in three years. We pay $45 for hydrants in city. Our meter rate is 35 cents per 1,000 gallons, and for 500,000 gallons or more 12 cents. As our franchise expires in a short time, the council here is considering the matter of municipal ownership. We never again will pay as much as we are now."

Independence, Mo.

From James S. Craig, city clerk of Independence: "Our water plant is owned by a private company. It is a coagulating plant and reservoir at the river, which is about three miles from the city. The length of franchise is twenty years, and expires in September, 1918. The city pays $4,000 a year for the first eighty-five hydrants, and each addition $40 per year. Our meter rate is 25 cents per 1,000 gallons; minimum charge for three months is $1.50 for 6,000 gallons. Where company owns meter, 25 cents per month rental is charged."

Marshall, Mo.

From Charles D. Alexander, city clerk at Marshall: "The city owns the water plant and gets its supply from deep wells, which are located in western city limits. Our meter rate is 20 cents per 1,000 gallons.

Mexico, Mo.

From Wallace Dearing, city clerk at Mexico: "The water plant is owned by a private company, a franchise having been granted in 1909 for twenty years. We pay the company for seventy-eight hydrants $3,120 a year, and for each additional one $50. The supply is from deep wells. The following are the rates per 100 gallons, payable quarterly: 1,500 gallons or less daily, 3 cents; 1,500 to 3,000 gallons daily, 2½ cents; 3,000 to 5,000 gallons daily, 2 cents; schools and churches, 1½ cents; minimum charge for meter service, per month, 75 cents."

Miss Fannie Hope, critic teacher in the Normal training school, left for Chicago Friday noon to attend a short session of the Chicago university.

Mrs. Fred Parcher and son Phillip went to Ravenwood Friday noon to visit with relatives.

Mrs. Ed Godsey and children left Friday for Parnell to visit with the family of Gus Thummel.

Neighborhood Tours.

This is what the Bedford Times-Republican says about the visit of the Maryville Automobile club in that city Sunday:

Maryville's automobile excursion to Bedford Sunday was a magnificent affair and one of those events that does much to make cities know their neighbors and feel like doing it again; if not together, one at a time.

Bedford people are attracted to Maryville upon various occasions and by various attractions, but probably not more than a dozen people of the eighty excursionists had ever before been in Bedford. The Saints Highway has given encouragement to such tours, and this is the first of what will probably be a series, as the Maryville Automobile club was organized for this purpose.

They had a grand outing, became acquainted with a neighboring city, returned over a different route than the one over which they came.

It is not a bad idea.

Every time we hear a man boasting that he "plays the game square" we insist on cutting the cards.

The happiest men and women we know are those who seemingly have the least to make them happy.

Every time a tariff baron talks about "protecting the American workingman" he has his fingers crossed.—The Commoner.

Not Surprising.

NOTICE OF SPECIAL ELECTION IN THE CITY OF MARYVILLE, NODAWAY COUNTY, MISSOURI.

Notice is hereby given that under and by virtue of the provisions of ordinance No. 512, of the City of Maryville, Missouri, passed and approved by the board of aldermen of said city at a regular session, duly opened and held on the 22nd day of July, 1911, there will be held in said city, on Tuesday, August 15th, 1911, a special election for the purpose of submitting to the legal voters of said city a proposition to increase the indebtedness of said city in the sum of one hundred thousand dollars ($100,000.-00), and to issue bonds of said city for said sum, as provided by the laws of the state of Missouri and the ordinances of said city, for the purpose of erecting and equipping a system of water works in said city of Maryville, and to purchase suitable grounds, within or without the city, upon which to erect said works, and to purchase a right of way to and from said works, and also a right of way for laying pipes, mains, and adjuncts thereto, buildings, standpipes, reservoirs and easements, and to purchase all machinery, appliances and materials necessary for the efficient construction of said water works and the equipping and furnishing the same, at a maximum cost and expenditure of one hundred thousand dollars ($100,000.00), as provided by said ordinance No. 512, of the city of Maryville, Missouri, passed and approved by board of aldermen of said city on the 22nd day of July, 1911.

The polling places for said special election shall be as follows:

First ward—City hall.

Second ward—Robey's garage.

Third ward—Gray's feed yard.

Fourth ward—Nodaway Manufacturing company's shop, 114 East Second street.

Tickets will be provided for said election in the following form:

"For increase of debt—Yes."

"For increase of debt—No."

The former of which shall be taken as a vote assenting to such increase of debt, and the latter as dissenting therefrom.

If the returns of said election shall show that two-thirds of the legal voters of said city voting at said special election so held shall have voted assent to the increase of debt as hereinbefore set out, then the mayor and board of aldermen shall have the authority to cause said water works to be erected upon suitable grounds, within or without the city, to be acquired by donation, condemnation or purchase, and to purchase a right of way to and from said works, and also the right of way for laying pipes, mains and adjuncts thereto, buildings, standpipes, reservoirs and easements, and all materials and grounds necessary for the efficient construction of said water works, and to issue bonds to pay the cost thereof in the amount aforesaid, of such denomination, bearing such rate of interest and payable at such times as is provided by law; and also to provide for the collection of an annual tax sufficient to pay the interest of such indebtedness as it falls due, and to constitute a sinking fund for the payment of the principal thereof at maturity.

A. S. ROBEY, Mayor.
Attest: L. C. GANN, City Clerk.

ALL TRUSTS MUST OBEY SHERMAN LAW

Uncle Sam to Prosecute Monopolies That Do Not Dissolve.

Washington, July 28.—The department of justice is planning immediate prosecution of all trusts and monopolies which do not dissolve, or take other steps to obey the Sherman law, as it has been interpreted in the Standard Oil, tobacco and powder trust cases. Attorney General Wickersham is authority for the statement.

To make the Sherman law effective, the department's anti-trust bureau is now being worked to its capacity. Probably 1,000 complaints of existing monopolies, restraints or illegal agreements to control the price of commodities, ranging from feather dusters to telephones, are now being investigated. The secret agents of the bureau have been scattered all over the country and in many instances an investigation of an alleged trust is going on in a dozen states at the same time.

One of the promised results of this policy is that the government will have in the courts before the end of the calendar year probably a dozen anti-trust suits. In a broad sense, the government's anti-trust actions may be divided into two classes: Those to which the Sherman law, as interpreted by the supreme court, directly applies, and those where the additional question of control of property by ownership of patents is involved.

These cases now pending against the electrical trust and the proceedings against the United Shoe Machinery company present questions regarding patents.

SIX MORE ARE FINED

Members of Three Companies Plead Guilty to Violating Sherman Law.

New York, July 28.—Philip S. Dyer, secretary and treasurer of the American Horseshoe company, who was indicted for being a member of the "pool" known as the Horseshoe Manufacturers' association, described as an illegal combination and conspiracy in restraint of trade and commerce, appeared before Judge Archbald in the United States circuit court, and, withdrawing his original plea of not guilty, entered a plea of nolle contendre. Dyer was fined $1,000.

The fines thus far imposed on thirty-eight defendants who have made their pleas total $43,900.

Pleas of nolle contendre were accepted by Judge Archbald from Dana R. Bullan, head of the supply department of the General Electric company, and Wallace S. Clark, his assistant, and from Henry A. Reed and Henry D. Reed of the Bishop Guttapercha company. These men were fine $1,000 each.

A similar plea, by means of power of attorney, was received from Richard W. Comstock, vice president of the Rhode Island-Perkins Horseshoe company. A fine of $1,000 was imposed.

Next to Alderman's--120 West Third Street

Tomorrow--Saturday, July 29

People of Maryville and vicinity are requested to come and see the beautiful salesroom, the most extensive line of pianos ever brought to Maryville, the "musical sundries" which have not heretofore been carried in this city, including a big library of up-to-date rag-time, musical comedy and classical rolls. At this time we will put on our

Opening Sale of Low Priced High Grade Pianos

At certain periods of the year we hold sales of "Rebuilt" or used pianos. These instruments are taken as part payment for new pianos and are sold for the amount we allow for them, to which is added the slight sum expended in putting them in first class condition. We have not had a sale since March, and one of our entire floors is now filled with "Rebuilt" pianos.

It occurred to us that it would be a good plan to introduce ourselves to Maryville folks by a big sale of "Rebuilt" pianos—a veritable feast of low prices, and high grade pianos.

Read These Prices:

Kimball, Ebony case	$ 95	Windsor, Mahogany case	$135
New England, Ebony case	100	Jesse French, Mahogany case	145
Vose, Ebony case	120	Starr, Mahogany case	160
Schiller, Mahogany case	130	Richmond, Mahogany case	180

Final and convincing proof of the true piano value offered you in our "Rebuilt" pianos. We accept them as part payment for new pianos—AT FULL PRICE PAID—any time within three years. You are cordially invited to call and make the acquaintance of Mr. P. F. Rowlison, our manager—he will be glad to show you the biggest stock of pianos ever shown in Maryville, New and "Rebuilt." If you contemplate buying within a year you should buy now—you will never get a piano cheaper—never get better values. Come whether you buy or not, we will be glad to see you.

We have a number of handsome souvenirs which we expect to give away in remembrance of this, our opening day in Maryville and we hope you will be among the fortunate ones to receive one of them.

INDIGESTION GOES.

The Orear-Henry Drug Co. Sells Best Prescription on the Money Back Plan.

Almost everybody knows that sick headache, nervousness and dizziness are caused by a disordered stomach.

Upset stomach and indigestion happen just because the food you eat does not digest—but lies in the stomach and ferments or turns sour.

You can stop fermentation and stomach distress in five minutes by using Mi-o-na stomach tablets, a prescription that has done more to cure indigestion and put the stomach in fine condition than all the specialists on earth.

A large 50 cent box of Mi-o-na stomach tablets is all you need to get quick and lasting relief. The Orear-Henry Drug company guarantees them.

Mrs. Altie Etson of 93 Dun Road, Battle Creek, Mich., used Mi-o-na, and within two months was in as good health as ever, and has a good strong stomach, and eats anything she likes. She attributes her good health to Mi-o-na.

If you have heartburn, belching of gas, heaviness or any stomach trouble, no matter how chronic, try Mi-o-na stomach tablets on money back plan. Sold by the Orear-Henry Drug company and leading druggists evrywhere.

Miss Lou Garrett of East Fourth street went to Kansas City Thursday morning for a few days' visit.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. F. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R 509 Caldwell building, Monticello, Ill.

HOLSTLAW'S SON TELLS OF BRIBE

Testifies He Knew His Father Was Paid $2,500 For Vote.

DEPOSIT SLIPS IN EVIDENCE.

Was Cashier of Bank at Time and Knew of the Affair—Attorney Hanecy Contends Evidence Has Been Juggled With During Trial of Case.

Washington, July 28.—Expressing his firm conviction that his father, former State Senator D. W. Holstlaw, received $2,500 from a man who offered to pay him that sum to vote for Lorimer for the senate, Herschel D. Holstlaw of Iuka, Ill., appeared before the Lorimer senate committee and substantiated his father's famous "confession." The father is too ill to appear, the son producing doctors' certificates to that effect.

The son was cashier of his father's bank on June 16, 1909, the date the father claims to have received the money from Senator John Broderick and from knowledge obtained in that position and from slips he put in evidence proved that his father received the money. The son told the story of how the Holstlaw family received the blow of the father's confession and of his father telling him that every word of it was true.

In cross examination, Attorney Hanecy, representing Senator Lorimer, said that the deposit slips had been juggled, both at the present and at the first Lorimer investigation. In explanation, he absolved attorneys or others connected with the committee from this charge.

Son Makes a Denial.

The cross-examination was terminated suddenly when Mr. Hanecy persisted in asking the witness, after he said he had no knowledge on the subject, about indictments brought against his father. Chairman Dillingham suggested that other witnesses could give better testimony on the point and assured Mr. Hanecy that every witness he desired would be compelled to attend the hearings if possible.

Thomas McGuire of a Chicago detective agency told of working on the so called White confession. For the first ten days of his service, the detective said, he was employed by the Chicago Tribune, but when he turned over to State's Attorney Wayman the information he obtained during that period and entered the service of the state's attorney, that official not only paid him for his work during the ten days he had been employed by the Tribune, but reimbursed him with $25 he had advanced to White for a board bill, at the suggestion of the Tribune's counsel.

At one time in his testimony the witness said he knew both Senator Lorimer and Edward Hines, because both had been his clients. Later he explained that he did not mean Senator Lorimer personally, but Lorimer's bank.

Dear Amy:-

I've just bought me a new kitchen cabinet, and now it's just fun to get a dinner ready. I never knew what a convenience a kitchen cabinet was until I got mine.

If you haven't bought one yet, by all means, do so at once. You'll save enough from things you would waste, in just a few months, to pay for it; and it will save you hundreds of steps every day. I wouldn't take anything for mine.

Baby John is getting better.

Always your friend,

LOST HER HAIR.

Woman Almost Baldheaded Grew Four Inches of Hair.

Here is a piece of live news from Browntown, Minn., that ought to interest skeptical men or women readers of The Democrat-Forum who are losing their hair or have dandruff or itching scalp.

Remember that the Koch Pharmacy sells Parisian Sage under a positive guarantee to stop falling hair and itching scalp and eradicate dandruff in two weeks.

Parisian Sage is a most refreshing and daintily perfumed hair dressing, free from grease or stickiness. It makes dull, lifeless hair radiant and lustrous.

"Parisian Sage is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever; I was almost baldheaded and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried Parisian Sage, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months. I advise every lady who wants beautiful hair to use Parisian Sage." Miss Meta M. Kruger, Browntown, Minn., June 8, 1910.

Parisian Sage is only 50 cents a large bottle at the Koch Pharmacy and druggists everywhere. The girl with the Auburn hair is on every package.

MODIFIED WOOL BILL IS PASSED

Compromise Measure Offered by LaFollette Goes Through.

THIRTY-FIVE PER CENT DUTY.

Democratic Senators Secure a Record Making Vote on House Bill, Then Join With Republican Insurgents on Substitute Measure.

Washington, July 28.—Out of what had appeared to be a chaotic condition in the senate there suddenly arose a coalition of Democrats and insurgent Republicans which bowled over the regular organization and passed a compromise bill for the revision of the wool tariff by 48 to 32.

This new force in the senate, united on a material reduction of tariff duties all down the lines and flushed with victory, is threatening not only to enact the so called house farmers' free list bill into law next Tuesday, but to put through a cotton bill as well. The insurgents want the sugar and steel schedules included in the program.

The house Democratic leaders are not willing to accept the compromise bill as it passed the senate, but they are more than willing to meet the senate conferees.

Chairman Underwood of the house ways and means committee expressed the belief that a bill satisfactory to both houses was more than likely to be agreed upon.

This would put the wool issue up to President Taft and there is much speculation as to what his course would be. Mr. Taft would make no comment on the situation. While the president in the past has denounced the present woolen schedule of the Payne-Aldrich law as indefensible, there have been strong intimations from the White House within the past few weeks that he would not hesitate to use the veto on any tariff schedules passed in advance of reports from the tariff board.

Some idea of the compromise may be had from the proposed rates on raw wool. The house bill proposed a rate of 20 per cent ad valorem. The original La Follette bill proposed 40 per cent. The compromise fixes the rate at 35 per cent. It is predicted that the conference will put it at 30 per cent.

Penrose Is Pleased.

"The situation is entirely to our liking," said Chairman Penrose of the finance committee. "We are satisfied that the president will veto any bill that can be sent to him within the range prescribed and we shall proceed next winter with whatever tariff revision may be necessary. Then we shall have the tariff board's report and can work intelligently."

Although President Taft has made no definite utterance to that effect it had been strongly intimated at the White House that he might feel called on to veto a wool tariff bill, passed in advance of a report on that schedule from the tariff board.

Underwood Bill Defeated.

The passage of the bill came after a defeat of the Underwood house bill—44 to 36—on almost a party vote and after the original LaFollette substitute had been voted down with only the Republican insurgents in its favor. Having secured a vote on the Underwood bill, as passed by the house, the Democrats then supported a motion made by Senator La Follette to reconsider the vote by which their bill was defeated.

As soon as the motion to reconsider had been carried, La Follette offered his compromise. He said it represented a reduction of the duties in his previous amendment. Democrats accepted it as the best that could be obtained. All insurgents but Borah (Ida.), Dixon (Mont.) and Jones (Wash.), voted for the compromise bill, while the Democrats were unanimous in their support of it.

IOWA SALOONS MAY RUN

Attorney General Cosson Advices No Action at Present.

Sioux City, Ia., July 28.—Following his appearance here in the first case brought to test the provisions of the Moon liquor law, George W. Cosson, attorney general of Iowa, authorized the publication of a statement as to the purpose of the case and the reason for his appearance therein.

County attorneys from over the state have asked the attorney general what action to take relative to the enforcement of the Moon law, and what construction should be placed on the provision of the same limiting the number of saloons according to the population. Mr Cosson stated that as the case had now been tried, he would advise the county attorneys to take no further action until the test case had gone to the supreme court for final determination. It is understood that the test case will be submitted at the coming September term of the supreme court and that a final decision may be expected as early as Oct. 1st next.

This means that all saloon in the different parts of the state may safely continue in business without fear of threats or injunctions or suits for disobedience of the Moon law, passed at the last general assembly. Suits had been threatening all over Iowa, considerable apprehension having arisen among the ranks of the liquor dealers

A HARMLESS WAY TO DARKEN THE HAIR

A Little Sage and Sulphur Makes Gray Hair Vanish—A Remedy for All Hair Troubles

Who does not know the value of sage and sulphur for keeping the hair dark, soft, glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than sage and sulphur, if properly prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind, called Wyeth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

PIONEER OF HOPKINS

HARRISON MEYERS PASSES AWAY FRIDAY MORNING.

AT ST. FRANCIS HOSPITAL

Was Seventy-One Years Old—Had Been a Sufferer from Dropsy for Two Years.

Harrison Meyers of Hopkins died at St. Francis hospital in this city Friday morning about 5 o'clock, after an illness extending over the past few years. He was a sufferer from dropsy and was brought to St. Francis hospital in this city last Friday from Hopkins.

The remains were taken to Hopkins on the noon Burlington train Friday, accompanied by S. A. Fleming and Harry Clutter of Hopkins, and the funeral will be held Saturday morning at 10 o'clock at the house, in charge of the Masons, Rev. Foster of the M. E. church of that place to conduct the services. Interment will take place in the Hopkins cemetery.

Harrison Meyers was born in Holmes county, Ohio, November 26, 1840. He enlisted in Company D, Sixteenth Ohio infantry, in 1861, and was in many a battle during the civil war. He received an honorable discharge October 31, 1864..

He was married to Miss Elizabeth McCoy in Ohio, April 19, 1866, and she died in Hopkins in 1908. To this union were born two daughters, who died in infancy.

Mr. Meyers came to Missouri in 1871 and settled on a farm about one mile north of Hopkins, where he lived until 1900, when he moved to Hopkins. He was one of the early settlers of Hopkins and had watched her grow from a small village to a town of 1,000 inhabitants.

He was chairman of the Republican county committee many years ago, and was quite a Republican politician in this county. He was also a prominent Mason, being a member of the lodge at Hopkins, and also a member of the G. A. R. He sang in the choir of the M. E. church of Hopkins and was leader of the band at that place for many years.

No living relatives survive. Robert M. Hook of Hopkins is a brother-in-law of Mr. Meyers. About six months ago Mr. Meyers became so afflicted that he had to have attention, so the Masonic lodge of that place has cared for him. He drew a pension, which was recently increased, and turned it over to the Masonic lodge of Hopkins.

Mr. Meyers was one of the respectable citizens of Hopkins. He was one of the brightest and deepest thinkers in this part of the state.

Guests at Costello Home.

Mr. and Mrs. Ed Costello had for guests Thursday Mr. and Mrs. S. C. Young and daughters, Mildred, Gertrude and Anna, and Mrs. Young's sister, Miss May Farrar, from north of Maryville.

Visiting Brother and Sister.

Mrs. S. W. Wood of Sterling, Ill., is visiting in Maryville with her sister, Mrs. George Conrad, and family and her brother, J. Arthur Wray, and family and other relatives. Mrs. Wood has two children in the foreign fields, Rev. Don Wood and Miss Daisy Wood.

Came to Conduct Funeral.

Rev. Claude J. Miller returned to Maryville Friday to conduct the funeral of Miss Laura Gates, who died Tuesday evening at her home, west of Maryville.

Southward Baby Dead.

Virginia Lee, the 6-months-old babe of Mr. and Mrs. Cliff Southward, died at the hospital in Des Moines Monday. She was buried at their home town, Holstein, Ia. Mr. Southward was a member of the Comets base ball team at Maryville.

DIED FROM INJURIES RECEIVED IN RUNAWAY

G. W. Cordell of near Quitman, who was hurt in a runaway Wednesday, died Thursday morning about 1 o'clock at his home, a mile and a half southeast of that town. Mr. Cordell was out driving, and on passing the I. B. Young place his horse became frightened and ran away, throwing him out and badly bruising him. He died from the effects and shock of the accident several hours after.

Mr. Cordell was 81 years and an old pioneer settler of that town. He is survived by his wife and seven children, A. F. Cordell of Quitman being a son, and Miss Ella Cordell, at home, being a daughter. All of the other children lived outside of Nodaway county.

The funeral services were held Friday morning at 1 o'clock at the Christian church, conducted by Rev. D. F. Snider, pastor of the Christian church at Burlington Junction. Interment took place in the I. O. O. F. cemetery at Quitman.

To Be Held at Burlington Junction.

The second annual I. O. O. F. conclave will be held in Burlington Junction, September 4. The district is composed of Nodaway, Atchison, Holt and Gentry counties.

COMPLAIN AUTOISTS EXCEED SPEED LIMIT

Complaints are still being made by the people of the autoists violating the speed laws of the city, especially at night. If they keep up as they have in the past some accident will be sure to take place some night. Better be careful, autoists, or you will get in trouble.

The proper authorities are going to keep a more careful watch at nights, as many people are complaining, and they have a right to. When an autoist is running his car forty or even twenty-five miles an hour in the city he should be arrested and fined, for it is a violation of our city ordinances. If better attention is not paid by the auto men to our present law, maybe more strict laws will be passed by our city, and it might be well for them to do it anyway. No accidents have happened, but they are liable to happen at any time.

As one man said Friday to this paper: "I was going home the other evening about 10:30 o'clock and an automobile passed me that was going at least forty miles an hour. The city should see to it that if we have a speed ordinance it is enforced, as an accident might take place any of these nights, at the rate some of the automobiles over the city are going at night. I understand that not all of these people are Maryville autoists, as many of them are from out of town."

DEBATING SOCIETY OF THE NORMAL MET

The debating society of the Normal met Thursday night in the chapel and contested the right of suffrage. The question, as stated, was, "Resolved, that the right of suffrage should be extended to women."

On the affirmative side were Charlie Miller, J. P. Ross and Ray Miller. On the negative Guy Thompson, F. W. Cooper and Ernest Berkhead. The latter receiver a unanimous decision from the judges.

Prof. Miller of the department of expression gave a most excellent talk on the essentials of public speaking.

NO COMMENCEMENT AT END OF TERM

There will be no commencement exercises at the close of this summer's term of the Normal, for the reason that only one commencement is held each year now and that in May. The graduates of each quarter receive their diplomas as soon as they finish the course, and if they wish to be in the annual commencement they may come back for it at the end of the spring term following their graduation.

MORE LETTERS ON WATER

Where Cities Own Plants Rate is Low —Hydrant Rental Big Item in Most Cities.

Letters have been received by Mayor Robey from other towns in regard to their water rates, and since Maryville is to vote on municipal ownership on Tuesday, August 15, on a $100,000 bond issue to install a water plant here, we publish these letters.

Warrensburg, Mo.

From S. P. Tyler, city clerk at Warrensburg: "A private company owns the water plant, which is about one and one-fourth miles from town. The franchise expires in three years. We pay $45 for hydrants in city. Our meter rate is 35 cents per 1,000 gallons, and for 500,000 gallons or more 12 cents. As our franchise expires in a short time, the council here is considering the matter of municipal ownership. We never again will pay as much as we are now."

Independence, Mo.

From James S. Craig, city clerk of Independence: "Our water plant is owned by a private company. It is a coagulating plant and reservoir at the river, which is about three miles from the city. The length of franchise is twenty years, and expires in September, 1918. The city pays $4,000 a year for the first eighty-five hydrants, and each addition $40 per year. Our meter rate is 25 cents per 1,000 gallons; minimum charge for three months is $1.50 for 6,000 gallons. Where company owns meter, 25 cents per month rental is charged."

Marshall, Mo.

From Charles D. Alexander, city clerk at Marshall: "The city owns the water plant and gets its supply from deep wells, which are located in western city limits. Our meter rate is 20 cents per 1,000 gallons.

Mexico, Mo.

From Wallace Dearing, city clerk at Mexico: "The water plant is owned by a private company, a franchise having been granted in 1909 for twenty years. We pay the company for seventy-eight hydrants $3,120 a year, and for each additional one $50. The supply is from deep wells. The following are the rates per 100 gallons, payable quarterly: 1,500 gallons or less daily, 3 cents; 1,500 to 3,000 gallons daily, 2½ cents; 3,000 to 5,000 gallons daily, 2 cents; schools and churches, 1½ cents; minimum charge for meter service, per month, 75 cents."

Miss Fannie Hope, critic teacher in the Normal training school, left for Chicago Friday noon to attend a short session of the Chicago university.

Mrs. Fred Parcher and son Phillip went to Ravenwood Friday noon to visit with relatives.

Mrs. Ed Godsey and children left Friday for Parnell to visit with the family of Gus Thummel.

Neighborhood Tours.

This is what the Bedford Times-Republican says about the visit of the Maryville Automobile club in that city Sunday:

Maryville's automobile excursion to Bedford Sunday was a magnificent affair and one of those events that does much to make cities know their neighbors and feel like doing it again; if not together, one at a time.

Bedford people are attracted to Maryville upon various occasions and by various attractions, but probably not more than a dozen people of the eighty excursionists had ever before been in Bedford. The Saints Highway has given encouragement to such tours, and this is the first of what will probably be a series, as the Maryville Automobile club was organized for this purpose.

They had a grand outing, became acquainted with a neighboring city, returned over a different route than the one over which they came.

It is not a bad idea.

The happiest men and women we know are those who seemingly have the least to make them happy.

Every time a tariff baron talks about "protecting the American workingman" he has his fingers crossed.—The Commoner.

Not Surprising.

NOTICE OF SPECIAL ELECTION IN THE CITY OF MARYVILLE, NODAWAY COUNTY, MISSOURI.

Notice is hereby given that under and by virtue of the provisions of ordinance No. 512, of the City of Maryville, Missouri, passed and approved by the board of aldermen of said city at a regular session, duly opened and held on the 22nd day of July, 1911, there will be held in said city, on Tuesday, August 15th, 1911, a special election for the purpose of submitting to the legal voters of said city a proposition to increase the indebtedness of said city in the sum of one hundred thousand dollars ($100,000.-00), and to issue bonds of said city for said sum, as provided by the laws of the state of Missouri and the ordinances of said city, for the purpose of erecting and equipping a system of water works in said city of Maryville, and to purchase suitable grounds, within or without the city, upon which to erect said works, and to purchase a right of way to and from said works, and also a right of way for laying pipes, mains, and adjuncts thereto, buildings, standpipes, reservoirs and easements, and to purchase all machinery, appliances and materials necessary for the efficient construction of said water works and the equipping and furnishing the same, at a maximum cost and expenditure of one hundred thousand dollars ($100,000.00), as provided by said ordinance No. 512, of the city of Maryville, Missouri, passed and approved by board of aldermen of said city on the 22nd day of July, 1911.

The polling places for said special election shall be as follows:

First ward—City hall.

Second ward—Robey's garage.

Third ward—Gray's feed yard.

Fourth ward—Nodaway Manufacturing company's shop, 114 East Second street.

Tickets will be provided for said election in the following form:

"For increase of debt—Yes."

"For increase of debt—No."

The former of which shall be taken as a vote assenting to such increase of debt, and the latter as dissenting therefrom.

If the returns of said election shall show that two-thirds of the legal voters of said city voting at said special election so held shall have voted assent to the increase of debt as hereinbefore set out, then the mayor and board of aldermen shall have the authority to cause said water works to be erected upon suitable grounds, within or without the city, to be acquired by donation, condemnation or purchase, and to purchase a right of way to and from said works, and also the right of way for laying pipes, mains and adjuncts thereto, buildings, standpipes, reservoirs and easements, and all materials and grounds necessary for the efficient construction of said water works, and to issue bonds to pay the cost thereof in the amount aforesaid, of such denomination, bearing such rate of interest and payable at such times as is provided by law; and also to provide for the collection of an annual tax sufficient to pay the interest of such indebtedness as it falls due, and to constitute a sinking fund for the payment of the principal thereof at maturity.

A. S. ROBEY, Mayor.
Attest: L. C. GANN, City Clerk.

ALL TRUSTS MUST OBEY SHERMAN LAW

Uncle Sam to Prosecute Monopolies That Do Not Dissolve.

Washington, July 28.—The department of justice is planning immediate prosecution of all trusts and monopolies which do not dissolve, or take other steps to obey the Sherman law, as it has been interpreted in the Standard Oil, tobacco and powder trust cases. Attorney General Wickersham is authority for the statement.

To make the Sherman law effective, the department's anti-trust bureau is now being worked to its capacity. Probably 1,000 complaints of existing monopolies, restraints or illegal agreements to control the price of commodities, ranging from feather dusters to telephones, are now being investigated. The secret agents of the bureau have been scattered all over the country and in many instances an investigation of an alleged trust is going on in a dozen states at the same time.

One of the promised results of this policy is that the government will have in the courts before the end of the calendar year probably a dozen anti-trust suits. In a broad sense, the government's anti-trust actions may be divided into two classes: Those to which the Sherman law, as interpreted by the supreme court, directly applies, and those where the additional question of control of property by ownership of patents is involved.

These cases now pending against the electrical trust and the proceedings against the United Shoe Machinery company present questions regarding patents.

SIX MORE ARE FINED

Members of Three Companies Plead Guilty to Violating Sherman Law.

New York, July 28.—Philip S. Dyer, secretary and treasurer of the American Horseshoe company, who was indicted for being a member of the "pool" known as the Horseshoe Manufacturers' association, described as an illegal combination and conspiracy in restraint of trade and commerce, appeared before Judge Archbald in the United States circuit court, and, withdrawing his original plea of not guilty, entered a plea of nolle contendre. Dyer was fined $1,000.

The fines thus far imposed on thirty-eight defendants who have made their pleas total $43,900.

Pleas of nolle contendre were accepted by Judge Archbald from Dana R. Bullan, head of the supply department of the General Electric company, and Wallace S. Clark, his assistant, and from Henry A. Reed and Henry D. Reed of the Bishop Guttapercha company. These men were fine $1,000 each.

A similar plea, by means of power of attorney, was received from Richard W. Comstock, vice president of the Rhode Island Perkins Horseshoe company. A fine of $1,000 was imposed.

Life Sentence for Henwood.

Denver, July 28.—Frank H. Henwood was sentenced to life imprisonment for killing George E. Copeland while shooting at S. L. von Phul, the St. Louis aeronaut, whom he also killed.

Opening of the

Great New Piano House

Field-Lippman

Next to Alderman's--120 West Third Street

Tomorrow--Saturday, July 29

People of Maryville and vicinity are requested to come and see the beautiful salesroom, the most extensive line of pianos ever brought to Maryville, the "musical sundries" which have not heretofore been carried in this city, including a big library of up-to-date rag-time, musical comedy and classical rolls. At this time we will put on our

Opening Sale of Low Priced High Grade Pianos

At certain periods of the year we hold sales of "Rebuilt" or used pianos. These instruments are taken as part payment for new pianos and are sold for the amount we allow for them, to which is added the slight sum expended in putting them in first class condition. We have not had a sale since March, and one of our entire floors is now filled with "Rebuilt" pianos.

It occurred to us that it would be a good plan to introduce ourselves to Maryville folks by a big sale of "Rebuilt" pianos—a veritable feast of low prices, and high grade pianos.

Read These Prices:

Kimball, Ebony case	$ 95	Windsor, Mahogany case	$135
New England, Ebony case	100	Jesse French, Mahogany case	145
Vose, Ebony case	120	Starr, Mahogany case	160
Schiller, Mahogany case	130	Richmond, Mahogany case	180

Final and convincing proof of the true piano value offered you in our "Rebuilt" pianos. We accept them as part payment for new pianos—AT FULL PRICE PAID—any time within three years. You are cordially invited to call and make the acquaintance of Mr. P. F. Rowlison, our manager—he will be glad to show you the biggest stock of pianos ever shown in Maryville, New and "Rebuilt." If you contemplate buying within a year you should buy now—you will never get a piano cheaper—never get better values. Come whether you buy or not, we will be glad to see you.

We have a number of handsome souvenirs which we expect to give away in remembrance of this, our opening day in Maryville and we hope you will be among the fortunate ones to receive one of them.

INDIGESTION GOES.

The Orear-Henry Drug Co. Sells Best Prescription on the Money Back Plan.

Almost everybody knows that sick headache, nervousness and dizziness are caused by a disordered stomach.

Upset stomach and indigestion happen just because the food you eat does not digest—but lies in the stomach and ferments or turns sour.

You can stop fermentation and stomach distress in five minutes by using Mi-o-na stomach tablets, a prescription that has done more to cure indigestion and put the stomach in fine condition than all the specialists on earth.

A large 50 cent box of Mi-o-na stomach tablets is all you need to get quick and lasting relief. The Orear-Henry Drug company guarantees them.

Mrs. Altie Etson of 93 Dun Road, Battle Creek, Mich., used Mi-o-na, and within two months was in as good health as ever, and has a good strong stomach, and eats anything she likes. She attributes her good health to Mi-o-na.

If you have heartburn, belching of gas, heaviness or any stomach trouble, no matter how chronic, try Mi-o-na stomach tablets on money back plan. Sold by the Orear-Henry Drug company and leading druggists evrywhere.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. F. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, 509 Caldwell building, Monticello, Ill.

HOLSTLAW'S SON TELLS OF BRIBE

Testifies He Knew His Father Was Paid $2,500 For Vote.

DEPOSIT SLIPS IN EVIDENCE.

Was Cashier of Bank at Time and Knew of the Affair—Attorney Hanecy Contends Evidence Has Been Juggled With During Trial of Case.

Washington, July 28.—Expressing his firm conviction that his father, former State Senator D. W. Holstlaw, received $2,500 from a man who offered to pay him that sum to vote for Lorimer for the senate, Herschel D. Holstlaw of Iuka, Ill., appeared before the Lorimer senate committee and substantiated his father's famous "confession." The father is too ill to appear, the son producing doctors' certificates to that effect.

The son was cashier of his father's bank on June 16, 1909, the date the father claims to have received the money from Senator John Broderick and from knowledge obtained in that position and from slips he put in evidence proved that his father received the money. The son told the story of how the Holstlaw family received the blow of the father's confession and of his father telling him that every word of it was true.

In cross-examination, Attorney Hanecy, representing Senator Lorimer, said that the deposit slips had been juggled, both at the present and at the first Lorimer investigation. In explanation, he absolved attorneys or others connected with the committee from this charge.

Son Makes a Denial.

The cross-examination was terminated suddenly when Mr. Hanecy persisted in asking the witness, after he said he had no knowledge on the subject, about indictments brought against his father. Chairman Dillingham suggested that other witnesses could give better testimony on the point and assured Mr. Hanecy that every witness he desired would be compelled to attend the hearings if possible.

Thomas McGuire of a Chicago detective agency told of working on the so called White confession. For the first ten days of his service, the detective said, he was employed by the Chicago Tribune, but when he turned over to State's Attorney Wayman the information he obtained during that period and entered the service of the state's attorney, that official not only paid him for his work during the ten days he had been employed by the Tribune, but reimbursed him with $25 he had advanced to White for a board bill, at the suggestion of the Tribune's counsel.

At one time in his testimony the witness said he knew both Senator Lorimer and Edward Hines, because both had been his clients. Later he explained that he did not mean Senator Lorimer personally, but Lorimer's bank.

Dear Amy:-

I've just bought me a new kitchen cabinet, and now it's just fun to get a dinner ready. I never knew what a convenience a kitchen cabinet was until I got mine.

If you haven't bought one yet, by all means, do so at once. You'll save enough from things you would waste, in just a few months, to pay for it; and it will save you hundreds of steps every day. I wouldn't take anything for mine.

Baby John is getting better.

LOST HER HAIR.

Woman Almost Baldheaded Grew Four Inches of Hair.

Here is a piece of live news from Browntown, Minn., that ought to interest skeptical men or women readers of The Democrat-Forum who are losing their hair or have dandruff or itching scalp.

Remember that the Koch Pharmacy sells Parisian Sage under a positive guarantee to stop falling hair and itching scalp and eradicate dandruff in two weeks.

Parisian Sage is a most refreshing and daintily perfumed hair dressing, free from grease or stickiness. It makes dull, lifeless hair radiant and lustrous.

"Parisian Sage is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever; I was almost baldheaded and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried Parisian Sage, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months. I advise every lady who wants beautiful hair to use Parisian Sage." Miss Meta M. Kruger, Browntown, Minn., June 8, 1910.

Parisian Sage is only 50 cents a large bottle at the Koch Pharmacy and druggists everywhere. The girl with the Auburn hair is on every package.

MODIFIED WOOL BILL IS PASSED

Compromise Measure Offered by LaFollette Goes Through.

THIRTY-FIVE PER CENT DUTY.

Democratic Senators Secure a Record Making Vote on House Bill, Then Join With Republican Insurgents on Substitute Measure.

Washington, July 28.—Out of what had appeared to be a chaotic condition in the senate there suddenly arose a coalition of Democrats and insurgent Republicans which bowled over the regular organization and passed a compromise bill for the revision of the wool tariff by 48 to 32.

This new force in the senate, united on a material reduction of tariff duties all down the lines and flushed with victory, is threatening not only to enact the so called house farmers' free list bill into law next Tuesday, but to put through a cotton bill as well. The insurgents want the sugar and steel schedules included in the program.

The house Democratic leaders are not willing to accept the compromise bill as it passed the senate, but they are more than willing to meet the senate conferees.

Chairman Underwood of the house ways and means committee expressed the belief that a bill satisfactory to both houses was more than likely to be agreed upon.

This would put the wool issue up to President Taft and there is much speculation as to what his course would be. Mr. Taft would make no comment on the situation. While the president in the past has denounced the present woolen schedule of the Payne-Aldrich law as indefensible, there have been strong intimations from the White House within the past few weeks that he would not hesitate to use the veto on any tariff schedules passed in advance of reports from the tariff board.

Some idea of the compromise may be had from the proposed rates on raw wool. The house bill proposed a rate of 20 per cent ad valorem. The original La Follette bill proposed 40 per cent. The compromise fixes the rate at 35 per cent. It is predicted that the conference will put it at 30 per cent.

Penrose Is Pleased.

"The situation is entirely to our liking," said Chairman Penrose of the finance committee. "We are satisfied that the president will veto any bill that can be sent to him within the range prescribed and we shall proceed next winter with whatever tariff revision may be necessary. Then we shall have the tariff board's report and can work intelligently."

Although President Taft has made no definite utterance to that effect it had been strongly intimated at the White House that he might feel called on to veto a wool tariff bill, passed in advance of a report on that schedule from the tariff board.

Underwood Bill Defeated.

The passage of the bill came after a defeat of the Underwood house bill—44 to 36—on almost a party vote and after the original LaFollette substitute had been voted down with only the Republican insurgents in its favor. Having secured a vote on the Underwood bill, as passed by the house, the Democrats then supported a motion made by Senator La Follette to reconsider the vote by which their bill was defeated.

As soon as the motion to reconsider had been carried, La Follette offered his compromise. He said it represented a reduction of the duties in his previous amendment. Democrats accepted it as the best that could be obtained. All insurgents but Borah (Ida.), Dixon (Mont.) and Jones (Wash.), voted for the compromise bill, while the Democrats were unanimous in their support of it.

IOWA SALOONS MAY RUN

Attorney General Cosson Advices No Action at Present.

Sioux City, Ia., July 28.—Following his appearance here in the first case brought to test the provisions of the Moon liquor law, George W. Cosson attorney general of Iowa, authorized the publication of a statement as to the purpose of the case and the reason for his appearance therein.

County attorneys from over the state have asked the attorney general what action to take relative to the enforcement of the Moon law, and what construction should be placed on the provision of the same limiting the number of saloons according to the population. Mr Cosson stated that as the case had now been tried, he would advise the county attorneys to take no further action until the test case had gone to the supreme court for final determination. It is understood that the test case will be submitted at the coming September term of the supreme court and that a final decision may be expected as early as Oct. 1st next.

This means that all saloon in the different parts of the state may safely continue in business without fear of threats or injunctions or suits for disobedience of the Moon law, passed at the last general assembly. Suits had been threatening all over Iowa, considerable apprehension having arisen among the ranks of the liquor dealers

A HARMLESS WAY TO DARKEN THE HAIR

A Little Sage and Sulphur Makes Gray Hair Vanish—A Remedy for All Hair Troubles

Who does not know the value of sage and sulphur for keeping the hair dark, soft, glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than sage and sulphur, if properly prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind, called Wyeth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
